## PARTS

**15% OFF ALL TIRES**

Did you know that selecting the right tire for the job can significantly increase operator safety? Conversely, operating with worn out or chunked tires puts the lift truck's stability and carrying capacity at risk. Don't let dangerous accidents happen! Replace worn out tires today!

Can't tell if your tires need replacing just by looking? Ask one of our representatives about our free, no-obligation tire inspections.

We also offer mobile tire press services to keep you up & running!

## SERVICE

**ALL SHOP JOBS GET 50% OFF RENTALS!**

Do you have lift trucks, aerial units or construction equipment in need of service, resulting in costly downtime?

Don't let service requirements slow your business down! Keep it seamless by renting!

Now through March 31st, ALL equipment sent in to our shop for repair will receive **50% OFF** standard rental rates.

## RENTALS

**50% OFF ALL NEW CUSTOMER RENTALS!**

Need a lift truck, aerial, skid steer or even industrial cleaning equipment? We have a wide selection of material handling equipment to fit your needs & budget!

Now offering a special discount for NEW customers: Receive **50% OFF** any rental now through March 31st!

Call before noon on any business day and receive same day delivery!

(Subject to unit availability.)
